Response to Questions Raised by Potential Applicants: The purpose of this amendment is to exclude the reference citations from the 15 page limitation

associated with the Research Plan. References included in the Research Plan are subject to the following provision:

Reference information is required. References cited are in addition to the Research Plan page limits described on pages 15 and 16 of the funding announcement. Each reference must include the name(s) of all authors in the same sequence in which they appear in the publication, the article title, volume number, page numbers, and year of publication. This section is for bibliographic citations only and is not to be used to provide parenthetical information outside of the Research Plan.

The time and date for receipt of applications is NOT extended.
